

## International Cuisine Night

**Thai Erawan**  
**October 26, 2007**  
**7:00 PM**

### Restaurant Description

The International flavor for the month of October hails from Thailand. Many would argue that the Thai Erawan is the best Thai restaurant on the Peninsula, including the Daily Press who gave it two thumbs up. An interesting tid bit about Thai food is that it is in fact heavily influenced by the styles and flavors of its neighboring countries in Southeastern Asia, including China, Malaysia and India.

This International Cuisine Night is being put on by the Newport News Jaycees. Please see Will McGuire ([International@njaycees.com](mailto:International@njaycees.com)) by Thursday October 25<sup>th</sup> to RSVP for this event.

The Thai Erawan is located at 2900 Hampton Highway (Magruder Blvd) in the Shady Bank Shopping Center of Yorktown. If you've never attended an International Cuisine Night, come out for a taste of something different with us!
